

Appareo Technology and Flight Options and NextGen

Representatives from the local Fargo based Appareo company will discuss ADS-B and the 2020 equipment requirement, technology basics, rules for equipage, product options (including non-Appareo options and the state of the marketplace), Stratus ESG Transponder, Foreflight/Stratus, upcoming features and functionality.

Jay Flowers, FAASTeam Program Manager for ND, will be updating everyone on the progress of NextGen.

Directions: If driving, from County Road 20, drive South towards Fargo Jet Center complex at North end of airport. Go to West end of blue hangar. Use Door number 2 and go upstairs for meeting. If flying in, ask the FBO staff for directions.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
